Tips from Gabi Köberl:

- Apply evenly to clean skin and allow to dry.
- Apply moderate amount onto knees, elbows, ankles and feet to prevent uneven tan.

- Avoid contact with eyes.
- Wash hands thoroughly after use.
- Tan is fully developed after about five hours.
- Use one to two times weekly for an even and beautiful tan.
- Avoid direct contact with fabrics (staining possible).
- Do not store above 30°C.
- Self-tanning products do not offer protection against the sun!
