

Anti-UV Fluid SPF 30

Manufacturer: Lavera

Order ID: 3115187

Price: 9.99 €

Product description:

Effective mineral filters

This Anti-UV Fluid SPF 30 provides daily care and reliably protects the skin against harmful UVA and UVB rays. It also prevents the formation of pigmentation spots and the first signs of sun-induced skin ageing. The light yet waterproof formula with natural hyaluronic acid and antioxidant vitamin E is quickly absorbed, is extremely moisturising and leaves a beautiful, invisible finish - without causing a white cast. The skin-friendly fluid can be used daily and is ideal as a make-up base.

Ingredients:

Water (Aqua), Zinc Oxide (Nano), Coco-Caprylate/Caprates, Aloe Barbadensis Leaf Juice*, Glycerin, Pentylene Glycol, Lauryl Glucoside, Polyglyceryl-6 Laurate, Sodium Stearoyl Glutamate, Glyceryl Stearate, Mangifera Indica (Mango) Fruit Extract*, Lycium Barbarum Fruit Extract*, Glycine Soja (Soybean) Oil*, Helianthus Annuus (Sunflower) Seed Oil, Hydrolyzed Jojoba Esters, Jojoba Esters, Tocopherol, Polyhydroxystearic Acid, Xanthan Gum, Citric Acid, Myristyl Glucoside, Isostearic Acid, Caprylhydroxamic Acid, Sodium Hyaluronate, Fragrance (Parfum)**, Limonene**, Linalool**, Citronellol**, Geraniol**, Coumarin**, Citral**

*from controlled organic agriculture **from natural essential oils

Tips from Gabi Köberl:

- Shake well before use!

- Apply evenly to the face, neck and décolleté in the morning after your daily skincare routine and before applying make-up.
- Apply generously and repeatedly before and during sun exposure to maintain the level of protection, especially when sweating or after swimming.
