Product description:

Cooling Lip Booster from lavera leaves lips silky soft and has a gentle plumping and cooling effect.

Cooling Lip Booster from lavera has a gentle plumping effect and leaves lips silky soft. Natural hyaluronic acid and high-quality ingredients such as organic coconut oil and organic mango kernel butter nourish the delicate skin of the lips and protect it from drying out. Its irresistible shine makes the lips appear fuller immediately after application. Formulated with menthol for a gentle tingling and cooling sensation that enhances its lip plumping effect. Innovative non-sticky, no mess feather-light formula for optimal wearing comfort.
