Product description:

Regenerating care for demanding skin

The Age Protection Night Cream with sea buckthorn berry extract* and hyaluronic acid is a highly effective care product for supporting the natural regeneration of demanding skin. An active complex consisting of high-quality plant oils and essences like shea butter*, jojoba oil and bamboo extract provides the skin with lasting moisture and care. Beneficial argan oil* stimulates the skin's natural regeneration processes and leaves skin smooth and supple. Organic caffeine* and highly effective extracts of samphire and Indian myrrh combat premature ageing processes, firm skin contours and minimise wrinkles and lines. For a relaxed, beautifully radiant complexion.

vegan, gluten-free, lactose-free
