### Ingredients:

Aqua (Water), Rosa Damascena Flower Water\*, Glycerin, Alcohol\*, Hamamelis Virginiana (Witch Hazel) Leaf Extract\*, Rosa Damascena Flower Extract\*, Levulinic Acid, Salix Alba (Willow) Bark Extract, Sodium Levulinate, Calendula Officinalis Flower Extract\*, Phytic Acid, Sodium Hydroxide, PCA Ethyl Cocoyl Arginate

\*from controlled organic cultivation \*\*natural essential oils

### Tips from Gabi Köberl:

Spray onto cleansed face, neck and décolleté or give to a cotton pad and gently sweep from the inside out, mornings and evenings. While the skin is still moist from the facial toner apply your accustomed LOGONA care. Thus, the fine facial toner is able to transport the active ingredients even better into the skin. Do not spray into eyes!
