

Moisturizing Heat Protection Spray

Manufacturer: Logona

Order ID: 630220

Price: 9.49 €

Product description:

Hydration and protection

The LOGONA Bio Aloe Vera Moisturizing Heat Protection Spray is specifically formulated for the needs of dry, damaged hair and sensitive scalp.

The natural moisturizing formula with bio aloe vera, bamboo extract and natural betaine is moisturizing, protects the hair from drying out and keeps it soft and smooth. The heat protection complex protects the hair from the damage of daily stresses such as blow drying, straightening and brushing as well as from static electricity – no need to rinse out. Thermic protection tested at 200 degrees up to 6 minutes.

Vegan, gluten free, lactose free

Ingredients:

Aqua (Water), Alcohol denat.*, Glycerin, Aloe Barbadensis Leaf Juice*, Polyglyceryl-10 Laurate, Betaine, Beta Vulgaris (Beet) Root Extract, Hydrolyzed Corn Starch, Sodium Lactate, Bambusa Vulgaris Leaf/Stem Extract, Bambusa Vulgaris Sap Extract, Lactic Acid, PCA Ethyl Cocoyl Arginate, Citric Acid, p-Anisic Acid, Parfum (Fragrance)**, Citral**, Limonene**, Linalool**, Geraniol**, Citronellol**, Benzyl Benzoate**, Coumarin**

*from controlled organic cultivation

**from natural essential oils

Tips from Gabi Köberl:

Distribute the moisturizing heat protection spray by pumping evenly from the roots to the tips several times after each washing - no need to rinse out. Do not spray in eyes. Style your hair afterward as usual. To wash your hair, we recommend LOGONA Bio Aloe Vera Moisturizing Shampoo for dry, damaged hair. We recommend LOGONA Bio Aloe Vera Moisturizing Conditioner as the optimal care supplement for dry, damaged hair.
