

Color Fix Post-Treatment

Manufacturer: Logona

Order ID: 603001

Price: 7.39 €

Product description:

LOGONA Color Fix is an aftertreatment that sets and intensifies the color and vibrancy of hair treated with LOGONA plant-based hair dyes. The valuable formula with burdock oil and betaine the plant-based dye, ensuring longlasting, vibrant and expressive color as well as a dazzling shine. Read carefully the instruction sheet before using.

Ingredients:

Ingredients: Aqua (Water), Alcohol denat.*, Glyceryl Citrate/Lactate/Linoleate/Oleate, Cetearyl Alcohol, Glycerin, Arctium Lappa Seed Oil*, Betaine, Sorbitan Stearate, Triticum Vulgare (Wheat) Bran Extract, Betula Alba Leaf Extract*, PCA Ethyl Cocoyl Arginate, Sodium Cetearyl Sulfate, Coco-Glucoside, Sucrose Cocoate, Linoleic Acid, Parfum (Fragrance)***, Limonene**, Linalool**

* certified organically grown

** from natural essential oils

Tips from Gabi Köberl:

Wet freshly dyed hair and then apply generously (approx 50 ml for mid-length hair), let soak in for 5 - 10 minutes and rinse with plenty of warm water. The hair can then be dried and styled as usual. LOGONA Color Fix after-treatment is also suitable for use as an intense hair mask between dyes. Please note: Don't use shampoo for 24 hours after.
