

## Herbal Hair Colour Cream 210 copper red

Manufacturer: Logona  
Order ID: 603003  
Price: 15.89 €

### Product description:

The copper red nuance is particularly suitable for blonde and light brown hair. The LOGONA Herbal Hair Colour Cream covers each individual hair like a film of colour. As a result, the original hair colour also determines the individual dye result. The unique composition of colouring plants and natural care ingredients ensures vibrant colour, shine and volume.

### Ingredients:

Aqua (Water), Alcohol denat.\*, Glycerin, Maltodextrin, Beta Vulgaris (Beet) Root Juice, Hectorite, Sorbitol, Chamomilla Recutita (Matricaria) Extract\*, Lawsonia Inermis (Henna) Extract, Coco Glucoside, Xanthan Gum, Algin, Rosmarinus Officinalis (Rosemary) Leaf Extract, Citric Acid, Parfum (Fragrance)\*\*, Linalool\*\*, Limonene\*\*, Eugenol\*\*

\* certified organically grown

\*\* from natural essential oils

### Tips from Gabi Köberl:

APPLICATION AS COLOUR CREAM: 15 mins - 2 hours

The natural nuance is particularly suitable for blonde and light brown hair. We strongly recommend to do a strand test in advance.
