

NATURAL WHITE Peppermint toothpaste

Manufacturer: Logona

Order ID: 602516

Price: 4.19 €

Product description:

The LOGODENT Natural White Toothpaste Peppermint offers extra-gentle cleansing and a soft lightening of the teeth.

Accretions on the tooth surface can often cause discoloration. Plaque and tartar can facilitate this discoloration, which may arise through consuming tobacco, coffee, tea and red wine.

The highly-effective silica cleansing particles of the Natural White Toothpaste carefully remove plaque and discoloration without attacking the enamel. Bit by bit, they provide a gentle lightening and thus help to preserve the natural white of the teeth.

A fresh peppermint taste provides lasting freshness.

Free of synthetic fluoride additives.

Ingredients:

Aqua (Water), Glycerin, Hydrated Silica, Xylitol, Betaine, Algin, Xanthan Gum, Mentha Piperita (Peppermint) Leaf Extract*, Salvia Officinalis (Sage) Leaf Extract*, Mentha Piperita (Peppermint) Oil, Disodium Cocoyl Glutamate, Sodium Cocoyl Glutamate, Alcohol denat.*, Aroma (Flavor)**, Limonene**, CI 77891 (Titanium Dioxide)

*from controlled organic cultivation

**natural essential oils

Tips from Gabi Köberl:

Recommended with sufficient fluoride supply.
