[°] Demeter-certified commodity

* Certified organically grown

** Part of real essential oils

Tips from Gabi Köberl:

For daily use: Use twice a day. Apply the Shea Butter Cleanser to dampen skin of the face and neck. Massage gently into the skin. For day care. A pleasant alternative to a cleansing gel or bar soap. Ideally suited for all skin types.

Evening: Apply the Shea Butter Cleanser onto the skin. It has a rehydrating effect and protects the skin during the night. The skin should have the ability to breath during the evening. Sweat and slag are transported to the surface of the skin without being restricted. As a result, the skin remains healthy and has a natural balance.
