Price: 6.49 €

### Product description:

We all wish that we were born with perfect eyebrows that always look full and elegantly shaped and accentuate our eyes and face. However, no one is perfect! You might need a little assistance to make your eyebrows look as good as possible and that is where Sante Eyebrow Pencil comes in. This pencil gives your brows that precise arch and nourishes and protects them with organic coconut oil, castor oil, natural beeswax and carnauba wax.

Your eyebrows convey a lot of powerful expression, from intrigue to surprise to flirtatiousness. When you create a perfectly curved and elegant eyebrow, you will open up your face and make your eyes look more expressive.

With Sante Eyebrow pencil, you will be able to fill in the stray areas of your brows and give them a smoother looking better defined shape. This is a small finishing touch which will turn your makeup look from ordinary to extraordinary.

Find the right shade for your hair colour and you can use this superb pencil day and night. Not only will it make you look elegant and glamorous, the combination of nourishing essential oils and waxes will hydrate and pamper your skin.

## **Tips from Gabi Köberl:**

The first step is to choose the right shade for your eyebrow pencil, it should match your hair color so that it will look natural on your face. Use the eyebrow pencil after you have applied your Sante Soft Cream Foundation and pressed powder. Make sure that the pencil is always freshly sharpened with your Sante Sharpener. Darken your eyebrows and then use the brush to style them into the right shape.
