### Product description:

For a flawless finish

This colourless gel shapes and sets the brows in place while providing a thickening effect. The mild texture enriched with jojoba oil is pleasantly mild and nourishing on the skin, without leaving behind a sticking feel or residue. For a long-lasting and natural finish.

### Tips from Gabi Köberl:

Run the brush through the eyebrows in short, precise movements, following the natural direction of hair growth.

Tip: The eyebrow gel can be optimally combined with an eyebrow pencil: first, apply the pencil and then shape and fix the brows with the transparent gel.
