### Product description:

Sante Organic Pineapple and Lemon Shower Gel smells like a ray of sunshine on a summer's day. It smells like a fresh garden alive with butterflies. It smells like a fruity smoothie on a tropical beach. It smells like happiness!

Ok, maybe that is a little over the top, but hopefully you get the idea. This refreshing gel really does have an invigorating citrus scent that is sure to improve your mood with just one sniff.

But it doesn't just smell amazing; it also has some serious cleansing powers. It is made of all natural botanical ingredients, so you can be sure that it will be gentle and soothing on even the most sensitive skin. It contains organic pineapple extract, which rejuvenates your skin and makes it look smoother and more toned. It also contains organic Aloe Vera juice which penetrates deep into your skin and locks in moisture.

So not only will showering with this refreshing gel in the morning give you a happy-go-lucky start to your morning, it will also make your skin feel soft and smooth for the rest of the day. Go ahead; treat yourself to a little Happiness in a Bottle.

## **Tips from Gabi Köberl:**

Put a small amount on your hands or on a washcloth or shower puff. Work the shower gel into a frothy lather and then scrub your body from head to toe, spending extra time on the areas of rough skin such as your elbows and knees. Rinse thoroughly with warm water.
