Product description:

Relax and enjoy the sweet and groovy scent of this shower gel, gentle and soothing enough for the whole family. With its large 950 ml bottle it is just perfect for everyone to share so that the entire household can enjoy the healthy skin benefits and the wonderful scent. Sante Organic Coconut & Vanilla Shower Gel also comes in a small bottle that you can take with you on your travels. It is gluten free and vegan and contains no harsh synthetic ingredients.

This gentle cleanser helps to get every member of your family clean, from toddlers to grandparents and all ages in between. It is formulated to be soothing and hydrating for even the most sensitive skin. At Sante, we only use the highest quality plant-based ingredients so that you can rest assured that your children are not being exposed to harmful chemicals, dyes and preservatives.

Sante Organic Coconut and Vanilla Shower Gel contains organic coconut extract and organic Aloe Vera juice. Both of these ingredients have been used for many generations as natural healing products for the skin and they provide very effective moisture. This light foaming cleanser will remove dirt, debris and bacteria from the skin without upsetting its balance of natural oils or disturbing its healthy harmony.

Tips from Gabi Köberl:

Apply a small amount to your hands, a washcloth or a shower puff and work it into a foamy lather. Scrub your body from head to toe and then rinse the shower gel away thoroughly with warm water.
