Product description:

The Vanilla Blonde nuance is ideal for light blonde to medium blonde hair and contains natural pigments from organic henna and cassia. This ensures unique glossy reflections. The hair is not lightened - the result is comparable to professional glossing.

- multi-faceted colour
- added volume & care
- very gentle
- without peroxides, ammonia or other chemical ingredients
- without synthetic colourants, fragrances & preservatives
- purely plant-based

Ingredients:

Cassia Auriculata Leaf Powder, Henna*, Indigofera Tinctoria Leaf Powder, Betaine, Arginine, Squalane, Algin, Aqua (Water)

Tips from Gabi Köberl:

To apply the hair colour treatment, read the instruction on the packet carefully. Always perform a strand test in advance to see how your hair will react to the dye.
