

Herbal Hair Color Chocolate Brown

Manufacturer: Sante
Order ID: 840690
Price: 7.99 €

Product description:

The Chocolate Brown shade contains plant-based pigments from organic henna and indigo and is ideal for medium blonde to dark brown hair. This colours the hair gently and provides unique glossy reflections. Pre-colouring with Terra, for example, is recommended to achieve a richer result in case of a lighter initial colour or a grey hair percentage of over 30%.

- multi-faceted colour
- added volume & care
- very gentle
- without peroxides, ammonia or other chemical ingredients
- without synthetic colourants, fragrances & preservatives
- purely plant-based

Ingredients:

Indigofera Tinctoria Leaf Powder, Henna*, Betaine, Arginine, Squalane, Algin, Aqua (Water)

*certified organically grown

Tips from Gabi Köberl:

To apply the hair colour treatment, read the instruction on the packet carefully. Always perform a strand test in advance to see how your hair will react to the dye.
