Product description:

Nourishes and protects teeth and gums with a formula of sodium fluoride, xylitol and organic sage. Mint oil also ensures a pleasant taste and a kiss fresh breath.

Ingredients:

Glycerin, Aqua (Water), Hydrated Silica, Maris Sal, Xylitol, Aroma, Disodium Cocoyl Glutamate, Sodium Cocoyl Glutamate, Xanthan Gum, Salvia Officinalis (Sage) Leaf Extract*, Mentha Piperita (Peppermint) Leaf Extract*, Algin, Sodium Fluoride, Alcohol*, Limonene, CI 77891 (Titanium Dioxide)

* from controlled organic cultivation

Tips from Gabi Köberl:

Only use a pea-sized amount to brush teeth for children with up to 6 years to minimize swallowing the toothpaste. Tooth brushing should be done under adult supervision. In case of additional intake of fluoride consult a dentist or doctor before.
