

Manuka Oil - 10ml

Manufacturer: Alva
Order ID: 78010
Price: 24.90 €

Product description:

The perfect treatment for your feet.

.. also known as 'New Zealand tea tree oil', made from pure, hand-picked, wild New Zealand plants.

This pure, natural essential oil is particularly kind to the skin. Its power is similar in many points to Australian tea tree oil but it is even milder.

Its high efficiency is clear in the treatment of feet that are prone to fungal infections – e.g. between the toes. It is also excellent for hipbaths and hygienic vaginal douches.

As manuka oil is extremely long lasting one or two drops usually suffice for each application.

Ingredients:

Manuka Oil
