

Thermal Sensitiv Day Cream

Manufacturer: Speick
Order ID: 400408
Price: 10.69 €

Product description:

Skin pampering and protective day cream with the benefits of the siliceous thermal water from the Schlangenbad spa mineral springs. The delicate texture with highly active ingredient complex contains concentrated algae extract to regulate the skin balance, moisturising organic aloe vera gel, nourishing organic shea butter and protective organic camellia oil. The protective day cream has a slightly matting effect, provides freshness for the whole day and supports the refinement of the skin's appearance. The fine fruity fragrance provides a mini spa moment when applying the cream. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).
