

Thermal Sensitiv Night Cream

Manufacturer: Speick
Order ID: 400410
Price: 10.69 €

Product description:

Pampering and regulating night cream with the benefits of the thermal water from the Schlangenbad spa mineral springs. The pampering, soft texture with highly active ingredient complex contains concentrated algae extract to regulate the skin balance, moisturising organic aloe vera gel, nourishing organic shea butter and protective organic camellia oil. The rich, nourishing night cream regulates the skin overnight and gives a pleasant feeling of well-being. Also ideal as a rich day cream. The fine fruity fragrance provides a mini spa moment when applying the cream. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).
