### Product description:

Pampering moisturising care: Gently nourishing body lotion for all skin types. Pampers the skin and vitalises. With the benefits of the siliceous thermal water from the Schlangenbad spa mineral springs. The velvety texture with highly active ingredient composition contains concentrated algae extract to regulate the skin balance, moisturising organic aloe vera gel, nourishing organic shea butter and protective organic camellia oil. The lotion is quickly absorbed, the skin noticeably revives immediately and is enveloped in a fine, fruity fragrance. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).
