

Thermal Sensitiv Micellar Water

Manufacturer: Speick

Order ID: 400438

Price: 7.89 €

Product description:

Gentle care with a fine, fruity fragrance: Thermal Sensitive Micellar Water provides clarifying cleansing and pampering moisturising care. The alcohol-free formula is particularly gentle on the skin and thoroughly removes even water-soluble make-up and mascara. With the benefits of the siliceous thermal water from the Schlangenbad spa mineral springs. Moisturising organic aloe vera gel, skin-soothing reed extract and concentrated algae extract help to regulate the skin's balance. With the unique extract of the high alpine Speick plant (kbW).

Ingredients:

Aqua (Water), Aloe Barbadensis Leaf Juice, Glycerin, Polyglyceryl-4 Caprate, Valeriana Celtica (Speick) Extract, Pelvetia Canaliculata Extract, Beta Vulgaris (Beet) Root Extract, Hydrolyzed Corn Starch, Phragmites Kharka Extract, Poria Cocos Extract, Parfum (Fragrance), Sodium Levulinate, Sodium Anisate, Sodium Benzoate, Benzyl Alcohol, Citral, Limonene, Linalool

Tips from Gabi Köberl:

1. Cleaning: Ideal for gentle face cleansing. Simply pour the micellar water onto a cotton wool pad and brush over the skin. Also suitable for the sensitive eye area and for removing eye make-up.
2. Second cleansing: After using the Speick Thermal Sensitive Cleansing Foam or any other cleansing product, brush over the face again with a pad soaked in micellar water. Last make-up residues are removed. The micellar water has a caring effect and can remain on the skin.

3. Cleansing without water: a real insider tip that makes the micellar water a great travel companion. The micellar water gently cleanses and moisturises. It does not need to be rinsed with water.

4. Facial tonic: The micellar water can also be used as a refreshing care product inbetween or as a preparatory base under your day care.
