

Thermal Sensitiv Hyaluronic Acid Serum

Manufacturer: Speick
Order ID: 400436
Price: 21.29 €

Product description:

High-yield hyaluronic acid serum with instant effect for face and décolleté. The serum has a silky, light texture and a fine fruity fragrance. The highly active ingredient composition contains intensively moisturising purely plant-based hyaluronic acid, skin-protecting, revitalising ectoine, concentrated algae extracts to regulate the skin balance and soothing organic aloe vera gel. The highly concentrated serum actively supports the skin in replenishing its moisture reserves and has an instant revitalising effect. With the benefits of thermal water from the Schlangenbad spa mineral springs containing silicic acid. Each Speick product contains the unique extract of the high alpine Speick plant from biologically regulated wild harvesting (kbW).

Ingredients:

Aqua (Water), Aloe Barbadensis Leaf Juice, Alcohol, Glycerin, Isoamyl Laurate, Sodium Hyaluronate, Ectoin, Hydroxyectoin, Linoleic Acid, Linolenic Acid, Valeriana Celtica (Speick) Extract, Pelvetia Canaliculata Extract, Beta Vulgaris (Beet) Root Extract, Hydrolyzed Corn Starch, Phragmites Kharka Extract, Poria Cocos Extract, Tocopherol, Pectin, Xanthan Gum, Carrageenan, Parfum (Fragrance), Benzyl Alcohol, Citral, Coumarin, Limonene, Linalool

Tips from Gabi Köberl:

As intensive care, apply generously to individual skin areas, e.g. the eye area or décolleté. Tip: A tiny amount of the hyaluron serum, distributed on both backs of the hands, is either sufficient on its own for delicate hands or also provides a moisturising base for applying hand cream.
