Product description:

Natural protection for baby teeth

Our natural Children's Tooth Gel protects your child's baby teeth

Newly forming teeth and gums get soothing care from Weleda Children's Tooth Gel. This natural baby toothpaste is a gently effective gel specifically formulated to give the kindest treatment to your little one's pearly white baby teeth.

Promote lifelong dental hygiene with this natural baby toothpaste.

Natural silica in our Children's Tooth Gel gently cleanses while the soothing properties of organic calendula flower extract pacify tender gums. Developed in cooperation with European dentists, our fluoride-free natural baby toothpaste thoroughly cleans your child's entire mouth and is safe to swallow. The mild flavors of spearmint and organic fennel in our Children's Tooth Gel help encourage your child's good dental hygiene to last a lifetime. Clean, white baby teeth, naturally soothed gums and fresh, minty breath—that's something for both of you to smile about, with Weleda's Children's Tooth Gel.

Ingredients:

Glycerin, Water (Aqua), Silica, Algin, Calendula Officinalis Flower Extract, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Esculin, Flavor (Aroma)*, Limonene*.

* from natural essential oils

Tips from Gabi Köberl:

Apply a small amount of Children's Tooth Gel to a dry toothbrush, and brush over the teeth and gums for a thorough cleaning.
