Product description:

Helps to calm, soothe and relax your baby after an active day

Your baby's skin is precious – so to bathe baby after an active day choose nothing but warm water and the precious natural plant extracts in Calendula Bath.

A relaxing bath at the end of a busy day is even more important when skin is brand new. Baby's skin needs to be clean, but is still learning how to resist the outside world. Help develop the gentlest protection with organic calendula extract to soothe skin and organic thyme to warm and comfort. Calendula wraps a caring shield around your baby while the warm water helps encourage sleepiness and calm. A peaceful bedtime ritual for you both.

Benefits: Cares, soothes and promotes development of healthy-looking skin. Gently cleansing. Enhances the relaxing power of warm water to encourage peaceful sleep. Dermatologically tested, very skin friendly, even on sensitive skin. Free from synthetic preservatives, fragrances, colourants or raw materials derived from mineral oils. Contains no surfactants/tensides.

Suitable for vegans.
