Product description:

Moisturize and protect delicate facial skin

Weleda Calendula Face Cream is a gentle, all-natural moisturizer made with 96% organic ingredients that supports skin's natural functions and keeps your baby's facial skin soft and smooth. Soothing organic calendula flower, grown in Weleda's own Biodynamic® gardens in Germany, calms inflammation and provides a protective layer of warmth and comfort. Essential fatty acids from organic sweet almond oil and fairly traded beeswax are easily absorbed by baby's skin to enhance and maintain its natural moisture. Like all Weleda products, it's free of synthetic fragrance, chemical preservatives or petroleum-derived ingredients.

Ingredients:

Water (Aqua), Sesamum Indicum (Sesame) Seed Oil, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Alcohol, Glyceryl Stearate SE, Lanolin, Beeswax (Cera Flava), Calendula Officinalis (Calendula) Flower Extract, Xanthan Gum, Fragrance (Parfum)*, Limonene*, Linalool*, Geraniol*, Citral*.

* from natural essential oils

Tips from Gabi Köberl:

Use daily or as needed to moisturize, soothe and nourish delicate skin.
