Product description:

Fragrance free organic baby oil for delicate skin

The simplest natural care for baby skin. Just two organic ingredients, pure and fresh as baby's own skin.

Skin as delicate as your baby's needs very little intervention to become the priceless natural shield needed for life. Treat dry, chafed or irritated skin, cleanse little bottoms, or enjoy a soothing massage together with this simplest of all formulations. Light organic sesame oil and an extract of organic calendula are all we need to offer you this treasure. Softening, warming, calming and relaxing – for tender moments with your little one from the first day.

Benefits: Cares, protects and cleanses. Completely fragrance-free. Warms, comforts and helps keep skin free of dry or sore patches. Contains only natural oil. Ideal for baby massage. Dermatologically proven skin-friendly even on very sensitive skin. Free from synthetic preservatives, fragrances, colourants or raw materials derived from mineral oils.

Ingredients:

Sesamum Indicum (Sesame) Seed Oil, Calendula Officinalis Flower Extract.

Tips from Gabi Köberl:

Use as a gentle cleanser on cotton wool or muslin cloth. Massage in all over lightly, or use for dry patches of skin. For daily bodycare, after baths, or as a massage oil.
