### Product description:

Help Soothe and Relax Baby's Tummy

Weleda Baby Tummy Oil is a natural, homeopathic oil for colic relief that helps soothes upset tummies. It contains a calming blend of essential oils that eases your baby's discomfort after a feeding. Use with a complementary tummy massage to help ease an upset stomach and release trapped gas.

### Ingredients:

Prunus Amygdalus Dulcis (Sweet Almond) Oil, Fragrance (Parfum)\*, Limonene\*, Linalool\*.

\* from natural essential oils

### Tips from Gabi Köberl:

Pour a small amount of Baby Tummy Oil into your hands to naturally warm the oil. Gently massage the oil into your baby's tummy in a clockwise direction, spiraling out from the navel and down the left thigh. This massage technique is exceptionally relaxing and soothing and helps release trapped gas.
