Product description:

Refreshing and zesty natural deodorant

Residual odor from naturally detoxified skin gets neutralized and freshened with this zesty deodorant. It's an effective, non-aerosol spray that invigorates and refreshes as it eliminates the sources of unpleasant body odor.

Lemon peel oil has invigorating properties and also serves as a purifying disinfectant. With no risky antiperspirants such as aluminum salts, your body's natural detoxification process is supported while bacteria that cause unpleasant odors are neutralized. You're left smelling fresh and feeling the citrus-induced invigoration of organic lemon peel oil. Spray whenever you need a purifying burst of full-body aromatherapy to freshen your entire being throughout the day.

Ingredients:

Alcohol, Water (Aqua), Fragrance (Parfum)*, Citrus Medica Limonum (Lemon) Peel Oil, Limonene*, Linalool*, Geraniol*, Citral*, Farnesol*.

* from natural essential oils

Tips from Gabi Köberl:

Apply Citrus Deodorant as often as needed throughout the day.
