Product description:

Neutralizing herbal fragrance with pure essential oils

Residual odor from naturally detoxified skin gets neutralized and purified with this earthy, unisex deodorant. It's a refreshing, non-aerosol spray that helps eliminate the causes of body odor and leaves a tantalizing herbal scent.

The distinct aroma and astringent properties of organic sage and tea tree leaf oil are complimented with delicately blended essential oils. With no risky antiperspirants such as aluminum salts, your body's natural detoxification process is supported while bacteria that cause unpleasant odors are neutralized. You don't have to worry about sweating the small stuff when you're as naturally pure as our natural and organic ingredients.

Ingredients:

Alcohol, Water (Aqua), Fragrance (Parfum)*, Ammonium Glycyrrhizate, Salvia Officinalis (Sage) Leaf Oil, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Limonene*, Linalool*, Geraniol*, Coumarin*.

* from natural essential oils

Tips from Gabi Köberl:

Apply Sage Deodorant as often as needed throughout the day.
