Manufacturer: Weleda

Order ID: W9150

Price: 3.95 €

### Product description:

Protect, rejuvenate and smooth fine lines

A rich, intensive, caring moisturiser for dry skin that counteracts fine lines, dryness and dull skin. This deep-nourishing skin care helps prevent the premature appearance of ageing and leaves the skin feeling soft and supple with a healthy natural glow. Excellent as a base for makeup.

Weleda Wild Rose Day Cream contains pure botanical Sedum, Myrrh and Horsetail extracts, which have strengthening and revitalising effects on the skin. Cold-pressed Wild Rose Seed Oil, rich in essential fatty acids, supports the skin's natural protective barrier and provides extra nourishment.

To keep that rosy glow of youth as we get older, we need to treat our skin with what it needs. That is where Wild Rose comes in. The precious oil from the Rose Hip seeds contains protective vitamins A and E which help the skin resist the signs of ageing. Important fatty acids – omega 3, 6 and 9 – help maintain the skin's protective barrier. The Wild Rose Smoothing Facial Care range contains a selection of products to protect, moisturise, revitalise and strengthen the skin and its elasticity.

## **Tips from Gabi Köberl:**

After cleansing apply sparingly and evenly over the face and neck, gently massaging into the skin. Apply only as much as the skin can readily absorb. Wild Rose Smoothing Day Cream is also ideal as a base for makeup. Weleda Wild Rose Smoothing Day Cream can be used in combination with Weleda Wild Rose Smoothing Facial Lotion as additional nourishment for dry skin types. In this case, apply a small amount of the Facial Lotion, following with the Day Cream.  
Suitable for vegetarians.
