Product description:

Reduce puffiness and smooth fine lines

Weleda Wild Rose Smoothing Eye Cream is an intensive, fragrance-free eye treatment that refreshes tired eyes, reduces puffiness and helps diminish the appearance of fine lines.

Organic rosehip seed oil rejuvenates the delicate skin around the eyes, as wild-crafted eyebright extract, protects from skin-damaging free radicals and environmental influences. Organic jojoba seed oil acts as an emollient to soothe and smooth puffy dry skin.

Fragrance-free and fast-absorbing, this nourishing all-natural formula is the secret to fresh bright eyes for all the world to see.

Tips from Gabi Köberl:

Spread a pea-sized amount on the tips of the ring finger. Beginning at the outside of the eye, gently pat the cream under the eye towards the nose, then over the eyelid from the nose outward, following the edge of the bone surrounding the eye. Apply in the morning and evening. Do not apply into the eye itself.
