Tips from Gabi Köberl:

After cleansing apply sparingly and evenly over the face and neck, gently massaging into the skin. Apply only as much as the skin can readily absorb. Wild Rose Smoothing Day Cream is also ideal as a base for makeup. Weleda Wild Rose Smoothing Day Cream can be used in combination with Weleda Wild Rose Smoothing Facial Lotion as additional nourishment for dry skin types. In this case, apply a small amount of the Facial Lotion, following with the Day Cream. Suitable for vegetarians.
