Product description:

Gently Clean Sensitive Skin Without Drying

Almond Soothing Cleansing Lotion is a hypo-allergenic and fragrance-free cleanser to help soothe irritation and maintain skin's healthy balance while gently removing impurities.

Organic sweet almond oil, rich in essential fatty acids, helps nourish and soothe sensitive skin while maintaining its natural protective barrier. Plum kernel oil, high in antioxidants A and E, softens skin while protecting from environmental influences.

Free of harsh cleansers or sulfates that can strip skin and damage its natural barrier, this creamy cleanser leaves skin soft, clean and comfortable, thanks to nature's most effective and soothing ingredients.

Ingredients:

Water (Aqua), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Glyceryl Stearate SE, Alcohol, Prunus Domestica (Plum) Seed Oil, Xanthan Gum, Lactic Acid.

Tips from Gabi Köberl:

Apply gently to face, neck and décolleté morning and night with a cotton pad or fingertips. Remove with warm water or a damp cotton pad. Follow with Weleda Almond Soothing Lotion or Almond Soothing Facial Cream. To remove eye makeup, apply a few drops of Almond Soothing Facial Oil to a damp cotton pad and wipe gently across the eye area.
