

Almond Soothing Facial Lotion

Manufacturer: Weleda
Order ID: W8688
Price: 13.95 €

Product description:

Moisturize to Soothe Sensitive Skin

Almond Soothing Facial Lotion is a fragrance-free, hypoallergenic moisturizer that strengthens skin's natural protective barrier, helps restore balance and calms sensitive skin. Almond Soothing Facial Lotion is free of potentially irritating chemicals, preservatives and fragrances.

Organic sweet almond oil gently nourishes sensitive skin and protects against moisture loss. Plum kernel oil, packed with antioxidant vitamins A and E, absorbs easily to soothe and calm sensitive or reactive skin.

Light and fast absorbing, this all-natural soothing formula leaves skin soft, calm and balanced, with no sensitivity in sight.

Ingredients:

Water (Aqua), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Alcohol, Glyceryl Stearate SE, Glycerin, Hydrolyzed Beeswax, Prunus Domestica (Plum) Seed Oil, Xanthan Gum, Lactic Acid.

Tips from Gabi Köberl:

Apply to the face, neck and décolleté. Massage in gently. For drier skin types, Almond Soothing Facial Lotion can be used in combination with the more deeply moisturizing Almond Soothing Facial Cream. You can also add a few drops of the Almond Soothing Facial Oil to the lotion to create a richer moisturizer.
