Product description:

Nourishes and moisturizes to soothe sensitive skin

Weleda Almond Soothing Facial Oil restores skin's healthy balance and moisturizes to soothe irritated skin.

Almond Soothing Facial Oil contains organic blackthorn flower extract, high in skin-toning tannins and vitamin C, to strengthen skin and supports its healthy functions. Organic sweet almond oil and plum kernel oil nourish and moisturize with calming ingredients that help restore skin's natural protective functions.

Use nightly or when needed to moisturize and soothe sensitive or reactive skin, leaving it soft, supple and calm as can be.

Ingredients:

Prunus Amygdalus Dulcis (Sweet Almond) Oil, Prunus Domestica (Plum) Seed Oil, Prunus Spinosa (Blackthorn) Flower Extract.

Tips from Gabi Köberl:

Use as an intensive treatment in combination with the Almond Soothing Facial Lotion or Almond Soothing Facial Cream or as a soothing, moisturizing treatment on its own. Pour a few drops of Almond Soothing Facial Oil into the palm of your hand and apply to clean, slightly moist skin. For a restorative intensive treatment for dry skin, massage a small amount into the skin with the fingertips in the evening. To remove eye makeup, apply a few drops to a damp cotton pad and gently wipe over the eye area.
