Product description:

Renew and Firm Skin Dry, Mature Skin

This rapidly absorbed cream helps protect the skin from the elements. It reduces the appearance of wrinkles, helps tauten the skin and reactivates skin regeneration. Dermatological test show that after 28 days of use the appearance of deep wrinkles are reduced by 14%* and skin elasticity improved by 11%**.

Weleda Pomegranate Firming Day Cream is highly effective at firming the skin. The powerful formula improves elasticity and firmness to reveal a clearer, more even skin.

Weleda specialises in skincare ranges to suit different life stages, and the Pomegranate range has been specially formulated to meet our skin's needs during our 40s and 50s. By supporting the skin with the powerful nutrients from pomegranate, regular use can reduce the appearance of wrinkles, help firm the skin, deeply moisturise, improve elasticity and smooth skin tone. The natural fragrance has been designed to hit a sophisticated note, subtly sensual, feminine and warming. Essential davana oil of lends an exotic, oriental character, together with mellow base notes of sandalwood and neroli.
