Product description:

Nourishes Dry, Mature Skin

Weleda Pomegranate Regenerating Body Lotion actively prevents premature aging of the skin, leaving it velvety smooth and firm.

Organic pomegranate seed oil absorbs thoroughly into skin, protecting from damaging free radicals as apricot kernel oil and shea butter provide essential moisture. Organic sunflower and sesame seed oils deeply and effectively hydrate to soothe dry skin.

With a sophisticated fragrance of neroli and sandalwood, this all-natural regenerating body lotion reveals youthful skin for beauty that is timeless.

- Naturally renews and protects dry skin
- Firms and protects from damaging environmental influences
- 83% organic ingredients

Weleda Body Lotions contain pure plant oils derived from sun-ripened seeds and fruits, which are full of energy and active ingredients. These oils, rich in essential fatty acids, are absorbed exceptionally well by the skin and stimulate its natural regenerative process. For beautiful skin, naturally.

Tips from Gabi Köberl:

Indulgently apply the lotion to your skin, first on the right and then the left side, using long, sweeping movements from the extremities of the body towards the heart. As you do this, breathe in the scent and let it inspire you.
