### Product description:

Clean Gently Without Drying

Weleda Gentle Cleansing Milk effectively yet gently removes dirt, oil and makeup while maintaining skin's healthy balance. Creamy and soft, it's free of harsh synthetic cleansing agents like sodium laurel sulfate that can strip skin's natural protective barrier.

Organic jojoba seed oil and antioxidant-rich sesame seed oil act as emollients to help lift oil and dirt. Witch hazel, a naturally light astringent, helps clarify and purify pores while strengthening skin. Refreshing natural fragrance from pure essential oils invigorates the senses.

Pure and simple, this all-natural, luxuriously creamy cleanser is the key to clean, soft and radiant skin.

Apply to face, neck and décolleté morning and night, avoiding the eye area. Remove with warm water or a cotton pad and pat dry. Follow with Weleda Refining Toner. To remove eye makeup, apply a few drops of

Almond Soothing Facial Oil to damp cotton pads and gently wipe over the eye area.
