

## Oat Replenishing Shampoo

Manufacturer: Weleda  
Order ID: W26994  
Price: 7.95 €

### Product description:

Replenishing shampoo for dry and damaged hair

Delight your senses with the delicate scent of mimosa flowers and tonka beans, and let organic oat extract help strengthen hair, reduce breakage and mend split ends. Made with 72% organic ingredients, Oat Replenishing Shampoo contains organic jojoba seed oil to restore, protect and smooth the hair's surface, while organic sage leaf extract revitalizes and protects from damage. For those converting to natural hair care from conventional, we recommend using the Oat Replenishing Shampoo in combination with the Oat Replenishing Conditioner. The mild, biodegradable surfactants in Weleda hair-care products ensure excellent cleansing despite producing little foam and are tailored to the individual needs of the scalp and hair.

- Replenishes dry, damaged hair
- Organic oat extract helps strengthen hair, reducing breakage and split ends
- Organic sage leaf revitalizes, while organic jojoba seed oil smoothes

The products are free of silicones, sulfate-containing surfactants or raw materials based on mineral oil. This protects not only the environment, but also the scalp and the hair.
