### Product description:

This gentle massage oil is rich in unsaturated fatty acids, which support rebuilding of the natural protective layer of the skin thus balancing its natural fat and moisture content. The skin remains healthy and supple. This oil with its refreshing fragrance is ideal for massages as well as for sensitive delicate skin.

Weleda Calendula Massage Oil is formulated from carefully selected plant oils. Made from sun-ripened seeds and fruits, they are rich in precious substances which stimulate skin's own natural regeneration and revitalisation processes. Enriched with plant extracts and pure essential oils, they care for the entire body.

Suitable for vegans.
