Product description:

Gentle care and protection

Tough scruff on sensitive skin gets prepped for shaving and protected from cuts with this conditioning shaving cream. It's a skin-softening, wet shave treatment that's been carefully formulated for sensitive skin.

Enrich and support your skin's natural moisture balance with the essential fatty acids in sweet almond oil. Organic pansy extract is both powerful and soothing, conditioning your skin and calming irritation. Goat's milk is rich in emollients that smoothes your skin. Your face is left looking and feeling soft, clean-cut and flawless. With smooth skin and an enticing herbal scent, there's no need to be sensitive about feeling and looking so good.

Ingredients:

Aqua (Water), Potassium Stearate, Glycerin, Potassium Oliviate, Potassium Cocoate, Sodium Stearate, Fragrance (Parfum)*, Viola Tricolor (Pansy) Extract, Prunus Amygdalus Dulcis (Sweet Almond) Fruit Extract, Caprae Lac (Goat Milk), Sodium Oliviate, Sodium Cocoate, Sodium Silicate, Magnesium Sulfate, Alcohol, Limonene*, Linalool*, Citronellol*.

Tips from Gabi Köberl:

Moisten the face and shaving brush with warm water. Apply Shaving Cream to the brush, spread over the face and brush to a foam. Alternatively, apply Shaving Cream to the hands and work into a lather before applying to the face. After shaving, rinse off with water.
