### Product description:

Smooth Skin and Prevent Stretch Marks

Weleda Stretch Mark Massage Oil is a nutrient-rich, all-natural oil that nourishes, moisturizes and smoothes skin as baby grows.

Because pregnancy is a big job for your muscles and skin, it contains organic arnica flower extract to help ease tightness and discomfort and provide a layer of comforting warmth. Organic sweet almond oil delivers deep moisture and essential fatty acids that keep skin supple. A natural fragrance from pure essential oils relaxes and calms mom-to-be, while skin-strengthening wheat germ oil, rich in vitamin E, keeps skin supple as it stretches.

Regular use of Weleda Stretch Mark Massage Oil helps aid in the prevention of stretch marks on the tummy, thighs, belly and buttocks. And unlike conventional stretch mark creams and oils, this one is made with safe, all-natural ingredients, so you don't have to worry about putting any questionable chemicals on your growing tummy.

## **Tips from Gabi Köberl:**

Apply Weleda Stretch Mark Massage Oil daily—from the beginning of your pregnancy up to three months after birth—with light, circular massage movements over the stomach, thighs, bottom and breasts. Use at least twice daily for best results. Stretch Mark Massage Oil can also be used for labor massage.
