Product description:

Naturally Protect Sensitive Gums and Teeth

Weleda Plant Gel Toothpaste is a soothing gel perfect for sensitive gums that helps balance and maintain the normal functions of your mouth.

Natural silica and helps reduce the buildup of plaque while organic chamomile extract soothe sensitive gums. Gentle and mildly antiseptic myrrh and organic ratanhia extracts, both used for centuries for oral health, keep teeth clean and sparkling with regular use. An invigorating taste of lively mint and citrus leaves your mouth and breath refreshed.

All-natural and fluoride-free, Plant Gel Toothpaste harnesses the natural cleansing power of plant extracts and minerals to leave teeth clean and breath refreshed. It's the key to a soothing, natural clean, so tell those sensitive gums to just relax.
