

Kids Toothpaste

Manufacturer: Weleda

Order ID: W5097

Price: 4.45 €

Product description:

Optimal care for milk teeth

The Kids Toothpaste is the perfect dental care for little ones. With an age-appropriate fluoride content and a naturally mild flavour, it makes brushing teeth child's play. It effectively protects against tooth decay and promotes the hardening of tooth enamel to keep little one's teeth strong. The mineral cleaning agents clean gently and thoroughly, while the valuable calendula flower extract supports gum care. The gel minimises plaque formation and gum problems - for a radiant smile and beautiful teeth.

The gel can also be used during homoeopathic treatments.

Ingredients:

Glycerin, Water (Aqua), Silica, Algin, Calendula Officinalis Flower+ Extract, Prunus Amygdalus Dulcis (Sweet Almond) Oil+, Esculin, Sodium Fluoride, Flavor (Aroma)*, Limonene*. [8007980001]

* from natural essential oils

Tips from Gabi Köberl:

Apply a small amount of Children's Tooth Gel to a dry toothbrush, and brush over the teeth and gums for a thorough cleaning.

For children under 2 years: Only use a grain-sized amount of gel.

For children from 2 to 6 years: Use a pea-sized amount.

From 6 years and older, use Weleda's Junior Toothpaste with 1450 ppm fluoride.
