### Product description:

Hydrating freshness boost for mature & demanding skin

The Royale Essence Moisturising Fluid by CMD is a true freshness boost for mature, demanding and dry skin types. Its delicate texture is rich in plant oils and organic pomegranate extracts that strengthen the skin and promotes cell renewal. The fluid is also rich in protective antioxidants, while the intensive effect of the hyaluronic acid complex offers a soft-focus effect and provides renewed elasticity. Ideal as a base for make-up application.
