Product description:

Regulatpro® Hair is a nourishing leave-in serum for natural hair and scalp care. Our patented formula consists of powerful active ingredients that promote hair growth and regenerate cells.

The highly concentrated, vegan formula of plant extracts, vitamins, minerals and beauty nutrients is specially formulated to stimulate hair growth, maintain the hair's natural pigmentation of the hair and an optimal supply of nutrients for a healthy scalp.

The invigorating leave-in treatment contains a plant concentrate as the active base, produced according to a patented fermentation process (cascade fermentation 2.0), which ensures ideal absorption of the high-quality nutrients. Magnesium and zinc are effectively absorbed by the cells and ensure a healthy scalp and strengthened hair roots.

The vitamin complex of vitamins B3, B5 and biotin provides lasting care for the hair – for combability and less split ends.

The intelligent combination of vegan hyaluronic acid and caffeine activates hair growth and provides more volume and moisture.

The vegan natural cosmetic Regulatpro® Hair Serum comes in a recyclable, medical amber glass bottle with integrated pipette for practical use, which protects the high-quality ingredients from the effects of light.
