Tips from Gabi Köberl:

Combination tip for aloe vera cream medium and pure refining serum

- After cleansing and toning, apply a small amount of your pure refining serum evenly to the face, neck and décolleté and massage gently.
- Before the serum is completely absorbed, apply a small amount of your aloe vera cream medium and massage gently.
- Your skin will be moisturised, nourished, soothed, balanced and pure. Both products are - depending on the skin need - also usable as a solo care.
