

## hyaluron duo treatment

Manufacturer: Santaverde

Order ID: SA23940

Price: 29.90 €

### Product description:

Highly moisturising cosmetic treatment

The serum contains high and low molecular hyaluronic acid that provides the skin with highly effective hydration. High molecular hyaluronic acid supplies the top layer of the skin with moisture while low molecular hyaluronic acid penetrates the underlying layers of skin and plumps it. Organic aloe vera juice supplies the skin with nutrients and added moisture whilst regenerating it. Rose blossom hydrosol and lavender essences provide soothing effects. The oil-free texture refreshes and smooths skin that is dry and sensitive.

### Ingredients:

Aloe Barbadosensis Leaf Juice\*, Rosa Damascena Flower Water\*, Alcohol\*, Sorbitol, Lavandula Angustifolia Flower Extract\*, Salix Nigra Bark Extract, Sodium Hyaluronate, Chondrus Crispus Powder, Levulinic Acid, Glycerin, Sodium Levulinate, Glucose, Sodium Hydroxide.

\*Certified organic \*\*Natural apricot scent

NATRUE certified organic skin care, free from synthetic fragrances, colourings and preservatives and 100 % vegan.

### Tips from Gabi Köberl:

Use as a 10-day treatment or when needed. Shake well and place in a tissue to snap off the top. Apply the serum to the skin after cleansing and toning the face, neck and decollete. Gently pat the serum into the skin. Depending on the requirements of your skin, follow up with a serum, cream or oil.
