

bakuchiol drops

Manufacturer: Santaverde

Order ID: SA23990

Price: 34.90 €

Product description:

The facial serum with the power active ingredient bakuchiol has an intensive regenerating effect, supplies the skin with antioxidants and improves the skin's appearance. Pure aloe vera juice has a moisturising effect. Bakuchiol, the plant-based and mild retinol alternative, counteracts signs of sun damage, activates cell renewal and has antioxidant, firming and anti-inflammatory effects. The antioxidant lycopene from tomatoes is effective against free radicals. Nourishing plum seed oil protects the skin from moisture loss. Gives a smoothed, refined and even complexion.

Skin texture

The serum is especially suitable for sensitive, irritated and demanding skin. You don't know what skin type you have? With our individual skin analysis, we help you find the ideal care for your current skin needs. Try it out here now.

Aloe instead of aqua

In our cosmetic formulas, we replace the usual main ingredient water with our uniquely active aloe vera juice from our own certified organic cultivation in Andalusia.

Ingredients:

Aloe Barbadensis Leaf Juice*, Rosa Damascena Flower Water *, Alcohol *, Prunus Domestica Seed Oil*, Bakuchiol, Simmondsia Chinensis Seed Oil*, Solanum Lycopersicum Fruit Oil, Helianthus Annuus Seed Oil*, Chondrus Crispus Powder, Glycerin, Tocopherol, Glyceryl Caprylate, Xanthan Gum, Levulinic Acid, Sodium Stearoyl Glutamate, Sodium Levulinate, Sodium Phytate, Sodium Hydroxide.

*Certified organic

Tips from Gabi Köberl:

After cleansing and toning, apply 2 to 3 drops of the regenerating serum mixed with cream or oil or as a solo treatment to face, neck and décolleté and gently massage in.

Tips

Anti-inflammatory treatment for mature skin: As a supplement to the anti-aging product lines age protect and XINGU age perfect, the bakuchiol drops are ideal for mature skin that is prone to impurities and inflammation.

For extra skin protection: Mix the serum with your usual face cream to give your skin extra protection against external influences and free radicals.

With the Mix & Match principle, you can adjust, mix and match the individual products to your daily changing and seasonal skin needs. Try it out!
